

Week 1

Monday 25 January Metabolism
9:00 9:15 Introduction course
9:15 13:00 Metabolism
14:00 17:00 Self study

Tuesday 26 January Endocrinology
9:00 13:00 Endocrinology
14:00 17:00 Workshop: Pitch **group 1**
14:00 17:00 Self study all others

Wednesday 27 January Gastroenterology and hepatology
9:00 13:00 Gastroenterology and hepatology
14:00 17:00 Workshop: Pitch **group 2**
14:00 17:00 Self study all others

Thursday 28 January Immunology
9:00 13:00 Immunology
14:00 17:00 Workshop: Pitch **group 3**
14:00 17:00 Self study all others

Friday 29 January Microbiome
9:00 12:15 Microbiome
12:15 13:00 Quiz
14:00 17:00 Self study

Week 2

Monday 1 February Metabolism/Endocrinology or Gastroenterology and hepatology
9:00 13:00 Metabolism/Endocrinology or Gastroenterology and hepatology
14:00 17:00 Self study

Tuesday 2 February Metabolism/Endocrinology or Gastroenterology and hepatology
9:00 13:00 Metabolism/Endocrinology or Gastroenterology and hepatology
14:00 17:00 Self study

Wednesday 3 February Metabolism/Endocrinology or Gastroenterology and hepatology
9:00 13:00 Metabolism/Endocrinology or Gastroenterology and hepatology
14:00 17:00 Self study

Thursday 4 February Diabetes, insuline resistance and nutrition
9:00 13:00 Diabetes, insuline resistance and nutrition
14:00 17:00 Self study

Friday 5 February Presentations
9:00 13:00 Self study
14:00 16:00 Presentations assigment and feedback
